

Welcome to John Taylor Dental Care

About Our Practice

We are a family practice dedicated to providing high quality dental treatment for all our patients in a professional and friendly environment.

We offer a complete range of dental procedures on a Private basis and pride ourselves on using the highest quality materials and most modern techniques available.

We also offer Denplan, Britain's most popular dental health maintenance scheme, which combines Private dental care with the peace of mind of a monthly direct debit or annual subscription. Members of Denplan Essentials receive a discount off our private fees for routine dentistry.

We accept all major credit cards in addition to cash and cheques.

Payment must be made at the time of your visit, unless otherwise agreed. Failed appointments or cancellations with less than 24 hours notice may incur a charge.
